

KNUCKLEHEAD BIOG

Established by Tim Katz and Matthew Brown in 2005, KNUCKLEHEAD is one of the world's leading Commercial Production companies, ranking 7th at Cannes Lions in 2010. In addition to its core commercials work, KNUCKLEHEAD also produces music videos, short films and other one-off visual projects, from stills shoots to documentaries.

The company represents a small hand-picked roster of 9 Directors, including the Oscar-nominated Daniel Barber, Joe Roman, Siri Bunford, Charlie Crane, Tomas Jonsgarden, The Dempseys, Ben Gregor, Gary Shore and Chris Hewitt, all of whom are chosen for their acknowledged worldwide standing in the Commercials industry. In 2012, Knucklehead became the UK repping arm of Anonymous Content, whose world-class directors number Alejandro G. Inarritu, Mark Romanek and Armando Bo, among many others.

With a blue chip client base that includes Audi, British Airways, BMW, Orange, Nike, Saab, Adidas, Puma, Infinity, Lexus, JC Penney, Santander, Mercedes, Fifa, L'Oreal, Johnnie Walker, Olay, Eurostar, Marks & Spencer, Toyota, Waitrose, Nintendo, T-Mobile and Nissan, KNUCKLEHEAD works across a plethora of global markets.

The company has built relationships with, and enjoys repeat business from, some of the foremost advertising agencies in the world. Recent collaborators include Wieden + Kennedy, BBH, 180 Amsterdam, Sid Lee, Mother, Ogilvy, Saatchi & Saatchi, JWT and Droga 5, the latter of whom they worked with on Puma 'Hard Chorus', one of the most awarded ads of the past year. The film, featuring hooligans singing a love song to their wives and girlfriends, picked up 2 Gold Cannes Lions, a silver One Show award, and a Gold Clio. In addition, Siri Bunford's critically lauded 'Kubrick' film for Chanel 4 was awarded a D&AD pencil.

Priding themselves on their boutique roster, this year KNUCKLEHEAD signed Tomas Jonsgarden, who won a Cannes Lions award for Silva (his first ad) and is a top ranking director in Sweden and in North and South America with Anonymous
